# CHALLENGE

OFCB (l'Organisation de la Force Chrétienne de Bayonnais) Newsletter

Volume 7, Issue 4

April 2020

As many of you already know, World of God has been unable to send teams to Bayonnais for almost a year. This has directly impacted child sponsorship. Our Mission Trips have always been a catalyst for child sponsorship. Groups of people travel to Bayonnais to learn about the community and fall in love with the students and often select one to sponsor. Sponsorship is usually multiplied when the groups return to the U.S. and share their experience and excitement through a sponsorship campaign.

During these times, we find ourselves going back to our roots, back to basics if you will, as we navigate our world today. We'd like to invite you to join us! We are seeking ideas, suggestions, and people that share our vision of a sustainable community in Bayonnais. Our goal is to live into our mission which is to empower and equip impoverished young people with life skills to become self-sufficient, impact their communities, and achieve their dreams.

Are you up for the challenge? We are asking you to become involved because you love the Bayonnais community and want to help them move forward.

**We are kicking off this effort with a Zoom Call on May 20, 2020 at 6:00pm - we are only asking for 30 minutes of your time. We hope you can join us!!**

## Coronavirus COVID-19 in Haiti

- Country lockdown (school included) extended until May 19.
- 57 positive Coronavirus in Haiti, 3 deaths.
- No Covid-19 cases in Bayonnais.

Even though schools are temporarily closed, it's vitally important to continue your child sponsorship. The school staff is still getting paid and OFCB is helping families with food where they can.

I received the following update from Actionnel:

*Hunger and starvation have been the biggest issue in the country. We have been providing bread and rice for families in the community. We bought and distributed 200 bread (kabich) on 4/21. We are planning to distribute nearly 700 next week.*

Friends of OFCB is raising funds specifically for this effort. If you feel called to give to this mission you can do so here:

Friends of OFCB - Bread ministry, PO Box 34563 Charlotte, NC 28234-4563

## Fuel Tank Update

\$15,545 is the total raised by World of God during our 2019 Giving Tuesday fundraiser.

Since we did not meet our goal to purchase the 10,000 gallon tank, Actionnel from OFCB has come up with an option for a smaller tank (4,500 gallons) that can be purchased with the funds raised.

4,500 Gallon Fuel Tank and Installation - \$9,800 USD. Enough money remains to fill the tank with fuel (approx. \$4200).
